WHAT IS HAPPENING?

Everyone meets exactly at 4pm in the main theatre at Sandnes Kulturhus.

Only the ones on team 1, 5, 9 and 13 will meet up in their basic costume at the general rehearsal. They are going to practice dancing in their costumes.

Everyone else is wearing dance clothes.

Everyone attending the general rehearsals is allowed to sit and watch when they are not dancing.

Nobody is allowed to leave the general rehearsals without permission from one of the dance teachers.

What is happening during the general rehearsals?

- Receiving important information
- Trying out the stage floor/surface
- Staging – practicing where everyone is standing in relationship with the other, and also where to enter and exit the stage
- Practicing transitions between dances
- Orienting the groups in relationship with the main characters
- Sound checking
- Light checking
- Last checking of costumes
- GENERAL REHEARSAL

If you do not meet up on time/do not show up this day, you might be taken out of the show.

Groups from 5th to 7th grade will have their general rehearsal before everyone else.

The youngest will therefore be finished a good amount of time before 10pm.

Everybody else has to account for being done at 10pm.

We will of course let everyone go as soon as possible, but nobody is allowed to leave before permission from his or her teacher.

We are aware of the fact that many of you have different school events on both Thursday and Friday evening that you also wish to attend. We are therefore asking everyone who has a Christmas ball or something similar, to bring everything they need and go straight from Sandnes Kulturhus when they are done.

EKSTRA REHEARSALS SATURDAY 28TH AND SUNDAY 29TH OF NOVEMBER

There will NOT be any extra rehearsals for any groups this weekend.
